Dear Mr. Cuocolo,

The 66th Boule` Hostess Chapters Committee is very appreciative of the opportunity to work with your organization in the planning and implementation of the tours activities for our members during our 66th Boule held July 12th thru the 19th in Charlotte, North Carolina. The Tours were an essential part of ensuring that our members were introduced to the wonderful opportunities that we have to offer in Charlotte as well as the state of North Carolina.

Your company was instrumental in the selection of tours, the planning for implementation of the tours, and the development of mechanisms for registration of the tours. We would like to thank you for the stellar job you and your employees did in supplying tours, tour guides and transportation for us.

The varieties of tours available were interesting, fun and culturally relevant. Your staff was diligent and professional as you dealt positively with any last minute changes and scenarios. Our membership sang your praises and welcomed the memorable impact your tours added to a wonderful conference.

We are pleased to serve as a reference to recommend the services of Charlotte Destinations, Inc. If you have any questions, feel free to contact me.

Sincerely,

Chairman, 66th Boule Hostess Chapters Alpha Kappa Alpha Sorority, Incorporated
