Dear Rosemary and Peter:

I want you to know how much we enjoyed having you as our educational event planner. Over the years you were hired to provide a unique venue for our clients to be educated in a fun, exciting atmosphere. You always find a way to spice up my events and find new exciting venues such as "Who done it" the event in Davidson, Black Finn and Strike City in Charlotte to name a few. The educational props are always done in a tastefully, interesting manor.

It is with great pleasure to refer you on to several other advisors who are looking for the same coordinated talents

Wishing you much success in your future endeavors.

Sincerely,

Carolyn Pozzi
